Sir:

This supplements the Information Disclosure Statement submitted in the above-identified application on February 28, 2002.

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents listed on the attached Form PTO-1449 which the Examiner may deem relevant to patentability of the claims of the above-identified application.

An English-language abstract summarizing the disclosure of the German publication is submitted herewith.

Further in compliance with the concise explanation requirement under 37 CFR §1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a corresponding Japanese Office Action translated into English, citing such documents, indicating the degree of relevance found by the foreign office.

Application No. 10,084,385
Supplemental Information Disclosure Statement
Filed: August 24, 2004

The present Information Disclosure Statement is being filed after the mailing date of the first Office Action on the merits, but I hereby certify that each item of information contained in this Information Disclosure Statement was first cited in the above-mentioned Japanese Office Action not more than three months prior to the filing of this Information Disclosure Statement.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Respectfully submitted,

James F. McKeown
